

collective search for identity pdf

Identity politics, as a mode of categorizing, are closely connected to the ascription that some social groups are oppressed (such as women, ethnic minorities, and sexual minorities); that is, the claim that individuals belonging to those groups are, by virtue of their identity, more vulnerable to forms of oppression such as cultural imperialism, violence, exploitation of labour ...

Identity politics - Wikipedia

A collective is a group of entities that share or are motivated by at least one common issue or interest, or work together to achieve a common objective. [citation needed] Collectives can differ from cooperatives in that they are not necessarily focused upon an economic benefit or saving, but can be that as well. The term "collective" is sometimes used to describe a species as a wholeâ€”for ...
