6 The creation of a company board is an important element of corporate governance, certainly for larger, listed companies, but SMEs could also benefit.

Governance for all: the implementation challenge for SMEs

Innovation can turn new concepts into realities, creating wealth and power. For example, someone who discovers a cure for a disease has the power to withhold it, give it away, or sell it to others. 1 Innovations can also disrupt the status quo, as when the invention of the automobile eliminated the need for horse-powered transportation.
